The Fourth Sunday of Easter Year C

First Reading: Acts 9:36-43

Comment: *“Peter raises Tabitha from the dead.”*

In this reading from the story of the early church, **Peter is summoned to Joppa and raises up a disciple named Tabitha.** Tabitha was known for her many good works and her restoration to life led to numerous new converts. Peter then stays for a time in Joppa with Simon, a tanner whose occupation would have rendered him a near outcast.

Psalm 23

The Lord is shepherd and guide. God is present in the time of danger and is generous and merciful.

Second Lesson: (The Epistle) Revelation 7:9-17

Comment: *“A multitude sings before the Lamb.”*

This lesson presents **a vision of those who have survived great tribulation and now worship before the throne of God and the Lamb.** These myriad saints come from all over the world and have been purified through their own sufferings in association with the sacrifice of the Lamb. But now the Lamb (which is a figure for Jesus) will be their shepherd, and they will suffer no longer. Such a vision would be a great consolation to those undergoing persecution.

The Holy Gospel: John 10:22-30

Comment: *“Jesus promises life to his sheep.”*

In our Gospel, **Jesus speaks to those who are unable to come to belief in him and then tells of his sheep who belong to him forever.** Some of the Jewish people gather around Jesus in one of the areas alongside the main temple. They ask if he is the Christ, but Jesus sees that they do not believe. Yet the sheep that the Father has given can never be taken from the Father’s protection, and Jesus is one with the Father.
